

**Meeting:** Full Council

**Date:** 10<sup>th</sup> September 2024

**Author:** Town Clerk

**Item For Consideration:** Wellbeing Sessions from Holy Trinity Churchyard

## **1.0 Purpose of the report**

For councillors to consider the following, and to raise any concerns.

## **2.0 Background Information**

South Gloucestershire Council has been approached by a group who wish to run nature/arts wellbeing sessions at Holy Trinity Churchyard, Kingswood every Friday from 27/09/24 – 14/02/24 between 10:00 – 12:00.

They have provided the following details about the event: “2-hour long art in nature wellbeing sessions. A small fire will be contained in off-ground fire bowl in potential locations shown as red and blue dots on the map. Fire will not be lit in dry, fire risk conditions. The temporary erection of tarpaulin shelter for the duration of a session as needed in wet weather.”

“No vehicle access required. Group will not impede public access to the site and will be sensitive to the needs of churchyard visitors, steering clear of those attending graves, moving away as necessary to allow space for those visiting”. They estimate that 10 - 12 people will attend per session.
