

## ROAD TRAFFIC REGULATION ACT 1984

### SOUTH GLOUCESTERSHIRE COUNCIL (OFF STREET PARKING PLACES) ORDER 202(-)

## STATEMENT OF REASONS

### Background

Historically, South Gloucestershire has been almost unique in not charging to use its car parks.

However, the financial situation faced by the council, and the assumptions built into previous budgets, mean that in February 2024 the council made the decision to charge for parking.

### Purpose of Scheme

The purpose of the scheme is to strike a balance between generating income and considering community input, ensuring accessibility for all while still offering some free parking.
